Description

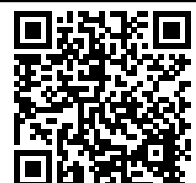

This is an incredible watch made by the premium Swiss maker Omega. It has the calibre 562 fully automatic movement. The starburst dial with date aperture is in mint original condition, it has not been restored or retouched in any way and a new glass has been fitted. It has the solid 18ct rose gold Omega case which is fully hallmarked and the Seamaster logo on the back of the case is bright and crisp. The Omega symbol is on the crown, it has a genuine Omega buckle and it is fully marked Omega on the dial, movement and case as you would expect. The watch case measures 34.5mm in diameter not including the crown. It also comes with its original inner and outer boxes. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs o...
