Description

Antique nickel pocket watch and chain. The watch has a stem-winding lever movement which is working nicely. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and it is in good condition, just light surface marks. The watch glass is in good condition. The dial has its original blued steel hands which are pin-set. There are a couple of hairline cracks to the dial. The watch comes with a single chain, 25cm long including the T-bar and the clasp. The watch and chain come in a new presentation box.
