Description

A very rare and highly collectable solid silver William IV silver miniature Chamberstick. This base of the Chamberstick is a lovely leaf design to both the top and also underneath (see images). and the pillar is also beautifully decorated in a leaf design. The original Snuffer is attached with a chain, which can be hooked onto the body of the pillar. The handle is exquisite with a neat leaf thumb-piece to the top. Full hallmarks are clearly visible on the base for the Birmingham Assay Office with a date mark for 1832 along with the Lion Passant indicating the finest sterling silver. A wonderful miniature chamberstick. A delight to the eye! This chamberstick is in fabulous antique collector's condition. Hallmarks: Birmingham 1832 by Joseph Willmore. Measurements: Height: (from base to top of snuffer 4.4 cm approx. Width at base: 5.5 cm approx. Weight: 24.5 grams approx.
