Description

Pair of antique mahogany military campaign style side cabinets in very good original condition & with some nice features. They have great proportions & would be ideal as general side cabinets in a living room or even as bedside cabinets. These cabinets have tooled leather tops with brass edges & pull out brushing slides with matching leather insets. There are brass corner fittings & sunken brass military handles on the drawers. Beneath the drawers are open compartments & they sit on plinth bases. They are very high quality cabinets with polished backs & a lovely original warm colour. I would date them to around the 1930's period. Width – 22 inches, 56 cm Depth – 16 inches, 41 cm Height – 23 inches, 59 cm
