Description

Antique "Express" English Lever pocket watch for J G Graves of Sheffield. The watch has a key-winding movement which is working well. The movement is protected by a fitted inner cover. A winding key is included. The watch measures 52.4mm diameter excluding the stem and the loop. The case is silver and there are hallmarks inside both of the case backs for Chester 1900 with a maker's mark for J G Graves. The case has the odd minor mark and a small "ding" to the edge but overall it is in nice condition for an 1900s piece. The glass lens is in nice condition. The signed white enamel dial is in nice condition. The watch has its original gold hands and a blued steel sub seconds hand. The watch comes in a new presentation box.
