Description

A twist on the traditional dial clock . This timepiece was made by Zenith and features a superb quality Swiss ,18 day movement with a center winding position and very domed solid light Oak dial. This example is roughly 12" size and has the addition of a 24hr dial with the 12 hr chapter ring. Mainly Heals retailed these clocks (timepieces) from the 1930's to 1960's and they have become quite collectable in recent years . With gilt brass numerals and hands.

Internal Ref: Light Oak Zenith
