Antique Queen Anne style walnut card table dating from the 1920's period & in excellent condition. It's just been French polished & re-baized. It has a serpentine shaped burr walnut top, with fine carving around the top & bottom edges. The back is polished to, so it can be free standing & the solid walnut legs are carved at the tops & have very defined claw & ball feet. There is a concealed compartment which is revealed when the middle back leg is pulled out to support the playing surface. This is a great place to hide things in.
