An African Carved Wooden model of a dug-out canoe with 18 seated tribal figures.

Price

Sold

Item Reference: SA701577

Date of manufacture: 1930

Dimensions

Height = 8 cm (3.1")

Width = 60 cm (23.6")

Depth = 7.5 cm (3.0")

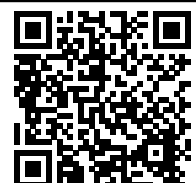

Description

This amusing and naïve wooden model dates to the 1930s and would have been a tourist memento that was locally made in Africa. It depicts a very long dugout canoe which is carrying 16 passengers with their belongings and there is a figure at the front and back paddling and steering. This is a charming piece that would display well on a shelf or table making an interesting talking point. In good original condition. Circa 1930
