Chinese Carved Ivory Walking Stick Handle Kneeling Figure Antique

Price

Sold

Item Reference: SA701626

Date of manufacture: 1900

Dimensions

Height = 9.5 cm (3.7")

Description

Chinese carved ivory walking stick handle, circa 1900 This young lady probably a bound foot concubine, is showing respect to some one wealthy and powerful. Both the waterlily-form peony she is holding and her kneeling pose symbolise wealth and honour, which is further indicated by the fan she is holding, to show status and power. In good sound condition, the head broken at the neck and glued. Length 3.3/4" or 95mm To fit a stick shaft diameter 7/8" or 23mm UK and EU only, includes secure shipping.
