Description

Set of Six Regency Mahogany Antique Dining Chairs Dating from around 1820 in the Regency period this set of early 19th Century antique dining chairs are made from mahogany. The set have carefully crafted carved back splats, stand on elegantly turned and fluted front legs and sabre legs to the back with drop in seats recently upholstered in a heavy duty grey fabric in unmarked condition. This fine set of mahogany antique chairs shows signs of old repairs which in no way detract from their overall beauty it just adds to the charm and character. The Mahogany is a rich medium shade with a striking grain, good patina and they have been beautifully cleaned using a traditional form of French polish and waxed finishing. The seat height is 45 centimetres. We can arrange delivery through the UK from £65 please enquire for our competitive European and worldwide shipping rates.
