Description

A polished brass table lamp, Arts and Crafts c1900. The brass has a hammered finish. The base is formed over cast steel for stability. There are a few losses on the tips of the base and a slight split as per photos. Rewired, with a safety bulb holder, to current regulations. Original frame for the shade, but the opaline shade itself is a later replacement. The measurements shown the maximum as it is displayed, the base measures approximately 17 cm in diameter. Additional photographs and information available on request. FaceTime facility available. Please be aware that the item is old and antique and study any photographs to satisfy yourself as to its condition as much as possible. While we take all efforts to provide something that is fit for the use intended there may be various condition issues that are commensurate with age and considered part of its history, and are very subjective. However, you have legal rights and Consumer Contract Regulations (2014) still apply for "Distance Selling" if this is not a "face-to-face" purchase. The advertised price includes packing and postage within mainland U.K. with Royal Mail's 2nd Class Service. Special Delivery Tracked...
