Description

An Antique armchair of good proportions, with square shaped roll back over a sprung seat and raised on ring turned front supports with original brass and porcelain castors, covered in a deep blue damask fabric with rope borders. An extremely comfortable, traditionally upholstered chair. The frame is in excellent condition, the upholstery is perhaps a little tired but with no stains or damage - it is perfectly useable but I can arrange re-covering by my upholsterer. Please contact me for further details. 92cm high, 70cm wide at the front, the seat is 55cm deep and 38cm high.
