Description

A very clean and tidy antique pine double wardrobe, that has been recently stripped, restored and wax polished. A large double with plenty of hanging space - the original wooden rail is still attached but I can replace it with a new brass hanging rail if you wish. There are two storage drawers at the bottom each with brass pull rings. There is a small amount of decoration to the sides with some scroll detail, and it is sat on bun feet to the front and block at the back - very typical appearance of this time c.1920. The wardrobe totally dismantles for delivery and access. Ready for collection or delivery Height: 77", width: 63", depth: 24", internal depth: 18"
