Description

Large antique Victorian mahogany pedestal desk in good condition & with a tooled leather writing surface. It has a finished polished back & separates into three sections for easy transportation. All the drawers have old brass handles, locks & fine dovetails. This desk has plenty of character, with a nice warm colour & is free from any damage. I would date it to around the 1860's period. One very useful feature is the very wide kneehole space. Width – 60 inches, 153 cm Depth – 34 inches, 87 cm Height – 30 inches, 75 cm Knee height – 23 inches, 59 cm Knee width – 29 inches, 74 cm
