Description

This is without doubt one of the best examples of Art Deco chest of drawers we've been able to source in a while. Aside from the beautifully figured walnut veneers which make it an absolute delight to look at. It's extremely generously sized, much much taller than normal * please see dimensions*. The drawers are dovetailed and very deep, this beauty is surely enough for even the most avid clothes buyer. All drawers run smoothly and effortlessly and are finished with cut glass and chrome handles which contrast very nicely with the mid tone walnut. We've had the whole piece taken through our workshops and professionally restored so comes to you in excellent showroom condition. A substantial and heavy quality piece that won't disappoint. UK mainland delivery for one man £75, if you require two men please enquire for revised quote.
