Description

Pair of Very Large Victorian Cast Iron Garden Urns, Garden Planters This is a superb and unusually large pair of cast iron urns. The urns are in good condition for their age, still very sound although they are weather worn and slightly rusty paint which after all has protected them from the elements, they could be repainted for a newer spruced up look. These are very heavy pieces needless to say, they do come into two to aid transportation. The urns are 39" tall, and 23" in diameter, they are 32" wide across the handles MD74.
