Description

A matched collection of original 19th Century garden edging tiles with fluted design and casellated tops. The overall condition is good, three out of the 28 have some damage, and there are chips and wear as you would expect, this can be seen in the photographs. These antique garden tiles have an attractive blue/black tone and would add a very practical, decorative and authentic feature edging to any garden. c.1890 Width: 7.75" (18.5cm) Height: 7" (18cm) Depth: 1" (2.5cm)
