Description

A wonderful French table in the manner of Louis Majorelle. From the late Nouveau/early deco time with design attributes drawn from both of these iconic periods. With a feeling of organic form, coupled with slightly straighter geometric influence. The brass caps to the feet are a lovely extra feature, a real sign of style and quality. Made in solid walnut which we have had sympathetically refinished so that it is now in excellent condition, ready to go straight into the home. This table could serve well as a centre table, occasional table or even dinning table. Dimensions: Length 109cms Width 77cms Height 75cms
