Description

Wonderful and totally original 1930's Art Deco set of four glass wall lights. They are held in snuggled by a wrought iron frame with a single bulb holder behind. These give a fabulous effect when lit against the wall. Really stylish set in great condition. The thick heavy frosted glass is almost 1" thick at its tip, really oozing quality. These lights look both impressive when switched on or off. Originating from France, circa 1930.
