Description

This is a beautiful antique Georgian sterling silver and hand cut crystal cruet set consisting of five bottles in a stand all in excellent condition. All items have matching hallmarks for London 1802 and although the silversmiths mark is rubbed on some of the items you can clearly see it on the handle as Peter, Ann & William Bateman. The stand measures just under 10" (25 cms) tall x 7" (18 cms) across x 4 1/2" (11.5 cms). We have checked all the glass carefully and can't find any damage at all - there are no inscriptions or monograms and all round this is a super set which is perfectly usable today. This set will come with a certificate of authenticity. Free worldwide fully insured shipping. Please visit us at www.robertbushantiques.co.uk if you wish to see our full inventory.
