Description

Unusual antique Venetian mirror with inside & outside patterned edging of brass or gilt metal. It has a shaped arched top, with outside borders that are segmented & beautifully etched. I haven't come across a mirror quite like this & I would date it to around the 1910 period. It's in excellent original condition & there is a tiny cut out on one of the gilt metal edgings near the top, which may have always been there & is hardly noticeable. Width – 18 inches, 46 cm Depth – 0.7 inches, 2 cm Height – 46 inches, 117 cm
