Description

A wonderful and rare little box, I have not seen before with its lift off lid. The box is in the form of a rocking cradle and does actually rock from side to side, beautifully made with the cradle made to resemble wicker work. The silver was imported to England in 1896 and has a good clear hallmark for Sheffield 1896. Quite stunning and a charming "must-have" collectible for the discerning. Excellent condition, measuring 1 3/8" long x 1 1/4" wide (handle to handle) x 1 1/8" tall. Item ID: 32096 ----- FREE Worldwide Registered Airmail; Insurance Optional.
