Description

Antique military campaign style mahogany chest of drawers with three drawers & sitting on bracket feet. It's high quality & in excellent condition, having just been French polished. This chest has the typical brass corner fittings, brass carrying handles & sunken military handles associated with campaign furniture. I would date this to around the 19320-30's period & it could be an adaption from a much older piece of furniture. Width – 26 inches, 67 cm Depth – 19 inches, 49 cm Height – 35 inches, 89 cm
