Sold

Item Reference: SA705406

Date of manufacture: 1870

Dimensions

Height = 8 cm (3.1")

Width = 14 cm (5.5")

Depth = 11 cm (4.3")

Description

A lovely Victorian earthenware jelly mould dating to about 1870. It has a very clear and well defined gothic geometric design in the interior, covered in a light beige glaze. The exterior has a deep green glaze and the shape is very slightly octagonal. The base bears an impressed mark 5 - presumably relating to its size. The condition is excellent, no damage, and it has a lovely tactile feel.

Internal Ref: 42/C063
