Description

Art Deco 1930's Ceramic Powder Bowl , signed by the artist underneath "HELDEY FRANCE ". Features a flapper girl vibrantly coloured with her black bob haircut and holding a bouquet of flowers. Made in France. A rare design and very high quality that we have come to expect from French ceramics. Fine and delicate detailing to the face, beautifully and skillfully done. A great box with multiple applications aside from it's original intent. Condition is very good, colours are bright, there is no crazing to the glaze. She's free from damage but shows original faults on some of the paintwork. FREE UK DELIVERY
