Description

Dating to the 1930's this very attractive and rare Art Deco trinket box is made by FASOLD & STAUCH more commonly known for making half dolls and is a German company. Depicts a flapper girl sat on a legs crossed smoking a cigarette, marked numbers to the base are 7996 . The attention to detail is just wonderful, so skillfully painted, from her slightly blushed cheeks to her tiny fingers, everything about this piece screams quality and at every angle she looks amazing. These boxes as any collector will agree when reading this hard extremely hard to come by. Part of the half doll family, these boxes are highly collectable. She has only one flaw and it's the tip of her cigarette is missing. Still displays wonderfully and could be restored, we've priced accordingly. FREE UK DELIVERY
