Description

Early 19th century rosewood work table on twin-turned end supports and turned stretchers; the top painted to look like marble inset with stones in the form of a chess-board; a pleated work-box below. Circa 1815 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
