Description

Superb Omega solid 14ct gold gents wristwatch. This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. It has a fully automatic movement. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring. The two tone dial is in superb condition having been fully restored. The case has only been ultrasonically cleaned and hand polished with a soft cloth, all of the edges and surfaces are sharp and even. As you would expect the watch is fully marked on the dial, movement and case. Inside the back are all of the correct markings including the mark for 14k gold. It comes complete with a new premium quality chestnut brown leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. Overall this watch is in incredible original condition and highly sought after by Omega collectors. The watch has been full...
