

SA706213

1931 silver pocket watch from Goldsmiths & Silversmiths

Price

Sold**Item Reference: SA706213****Date of manufacture: 1930**

Description

1931 silver pocket watch from Goldsmiths & Silversmiths Co Ltd. The watch has a Swiss Revue Thommen stem-winding movement which is working nicely. The watch measures 47mm diameter excluding the winding crown and the loop. The case is silver and there are hallmarks inside the case back for London (import mark), 1931 together with a case maker's mark for the Vertex Watch Company and in fact 1931 was the year that Vertex and Revue Thommen first collaborated. The front of the case is in good condition, just a small "ding" to the bezel. The case back has unevenness. The acrylic lens is in good condition. The dial is signed with the name of the original retailers Goldsmiths & Silversmiths Co Ltd, 112 Regent Street, London, W1. It is in its original finish, there is light marking but nothing too serious. Breguet style hands in a blued steel finish. The watch comes in its original presentation box.
