Description

A fabulous and beautifully made original Art Deco sparkling paste fur or coat clip. Substantial in size, it is rendered in sterling silver, rhodium plated on the underside. It can also easily be hung on a chain to wear as a showstopping pendant. The piece is unsigned but is very similar to contemporary clips produced by the esteemed jewellers Knoll & Pregizer. This is a really lovely piece and in very good vintage condition - no stones are missing and they are well matched in colour with little yellowing. The piece is not hallmarked but has been acid tested as sterling silver. The clip is on a strong hinge which snaps shut nicely. Size: Approx 5.2cm diameter. Weight: 37.5g.
