Description

A good example of a Sterling Silver milk or cream jug. The jug is stylish and good quality, weighing approximately 70g. It is clearly hallmarked for Thomas Hayes, Birmingham, 1906. It is in good condition for its age. There are some faint surface marks and small dinks around the body but nothing detrimental and it displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK Delivery £5, rest of the world £15.
