Description

Large pair of antique French gilt bronze seven branch wall sconces in wonderful original condition with all the candle holders in place. It's nice to find examples of these that haven't been drilled & turned into lights. The castings & fine details are very fine quality. The gilding is all original & has naturally aged. I would date this pair to around the 1860-80's, however judging from the quality, they could be older. Please enlarge all the images to appreciate the exceptionally fine details. Width – 18.5 inches, 47 cm Depth – 10.5 inches, 27 cm Height – 15 inches, 38 cm
