Description

Here I am stepping away from my tribal love to acquiring this beautiful floral rug from the environs of Feraghan in north-west Persia, and made circa 1880-1890. In very good overall condition with a very fine weave, this elegant rug will grace any floor and be well-admired. The ivory border design is superbly drawn and frames the field in the most powerful way. Size: 2.03m x 1.32m (6' 8" x 4' 4").
