Price

Sold**Item Reference: SA707610****Date of manufacture: 17th Century**

Dimensions

Height = 87 cm (34.3")

Width = 89 cm (35.0")

Depth = 58 cm (22.8")

Description

A late 17th Century Geometric Moulded Chest Of Drawers of good small proportions and superb honey colour, in very good original condition. The linings are wonderfully clean and original. It retains the original escutcheons, the handles and feet are replaced. This piece has never been lashed with dark varnish as so many from this period were in victorian times, it has a lovely patina that really glows.
