Description

A super rare opportunity to acquire a perfect condition Art Deco Ladies Manual wrist watch which is what we call 'old new stock', that is to say it's of the period dating to the 1930's but has never been sold, marketed or worn, as you can imagine that's pretty rare. We have been lucky enough to have sourced a few of these watches, all authentic Art Deco and all dating and original to the 1930's. Watches in this condition, from those years are unique and difficult to find. Never worn this timepiece has been kept hidden away for several dozen years. The dial is a original, cream-coloured dial with Deco numerals, hands and numerals with glass crystal perfect condition and unscratched. Original leather strap with a deco design too, this is extremely unusual to find. The watch is perfect both for everyday wear and for adding to the collections. Lovely watch any lady would love to wear. The case back is free of any engravings, shows no wear-through to the plating. Still with it's original label All of our watches are sent out in complimentary presentation boxes, ideal for gifting and to store for personal collections.
