Description

Gents Smiths De Luxe wrist watch, made in England. The watch has a 15-jewel hand-winding movement which is working nicely. The watch measures 31mm diameter excluding the winding crown and the lugs so it would suit a slimmer wrist. The shaped lugs are a particularly handsome feature of this watch. The case is in good condition, as is the lens. The signed dial is in its original finish with original blued steel hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
