Description

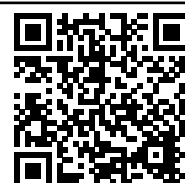

A wonderful and highly decorative antique box, perfect for use as a jewelry or desk box or even to tuck away those ugly remote controls (a frequent request from some of our regular clients). It has been beautifully re-lined in a hand-marbled paper, so lovely and clean and ready for use. The Mahogany is breathtaking and enhanced with a simple and elegant brass inlay in a geometric design. This simple inlay is offset with two glorious lion's head ring handles and four lion's paw feet. The original fabric remains on the underside. Superb condition measuring 12" x 6" x 7" tall. Complete with working tasselled key. Item ID: 32092 ----- FREE Worldwide Registered Airmail; Insurance Optional.
