Description

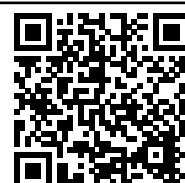

This lovely SILVER LETTER OPENER was made by Thomas Sansom in 1874. The solid silver blade is attached to a plain hand-made Mother of Pearl handle with chamfered edge by way of a beautifully embossed silver ferrule. The handle is topped with a superb silver pommel making this a very unusual and attractive Letter Opener. With very little wear despite being more than 130 years old, this lovely letter opener would look lovely on any desk and would make a lovely gift for someone. (Box included).
