Description

A beautiful and very impressive original Art Deco period Dining table in Rosewood. This was made in France, and dates from the 1920-30's. The quality of construction is absolutely amazing, and is evident throughout. There are two extra leaf extensions that come with this, they rest on slide out supports that are built in to each end. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. The two U shaped pedestal base supports unscrew and can be detached from the top for ease of transport.
