A particularly good Victorian hinged solid silver cuff with a beautiful hand chased scrolling foliate design (typical of the Aesthetic Period c.1885-1901) across the front half and scalloped edges topped with silver balls. Marked STERLING SILVER inside. In very good antique condition; there are no major dents or scratches, just light overall surface wear (minor scratches, pits, see photos) consistent with age. The hinge and clasp are in perfect working order. The bangle could be polished up to a more perfect shine but we leave that to the buyer's discretion!
