Description

This is an antique building block set. A German, pine 71-piece Froebel toy box, dating to the Edwardian period, circa 1910. A fascinating building block set with great period appeal Rare and highly collectible Displays a desirable aged patina Pine storage box shows rich caramel hues and charming children's handwriting 71-pieces predominantly in pine with red coloured pieces cast in stone Fantastic lithograph box illustration applied upon a larger piece The image of Friedrich Froebel — the inventor of the kindergarten — appears top left A wonderfully Germanic bridge structure aids the imagination Bricks comprising of straights in different lengths, archways and triangles This is a wonderful opportunity to experience an antique building box set from the founder of the kindergarten. Sure to inspire old and young alike, delivered polished and ready for the home.
