Description

A beautiful pair of original Art Deco period armchairs. They were made in Sweden and they date from the 1920-30's. We import similar models regularly and usually re-upholster them in cream. This pair came in a stunning original vintage fabric designed by Josef Frank, it's in mostly very good condition, so we thought we'd leave it on. There are a few minor areas of marks close to the arms, seen in the images but not too noticeable in real life. We have had the Satin Birch arms and legs stripped and re-polished. One chair has slightly softer springs than the other, this can be sorted if need be. We can also quote for re-upholstery, feel free to inquire. If you look at our main site you will see many similar sold examples of these upholstered in our regular cream fabric, just to give you an idea of how they can look with neutral colour fabric on. Width – 26 inches, 66 cm Depth – 30 inches, 76 cm Height – 28 inches, 71 cm Seat height – 16 inches, 41 cm
