Description

A lovely Victorian period burr walnut side, or lamp, table. Well constructed in solid walnut with attractive burr walnut veneers to the top. The rectangular top is finished with a molded edge and decorated with pretty inlaid detailing. There is a single drawer to the front and it is also finished to the rear so it could be free-standing within a room if desired. It stands on wonderful shaped supports which are united by an under-stretcher and terminate in out-swept scrolling legs. We have had this charming table sympathetically refinished in our workshops and it is now offered for sale in excellent condition with a great colour and patina.
