## Description

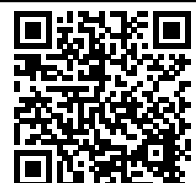

Pair of early nineteenth century Continental stools; the serpentine stuff-over seats covered (about 20 years' ago) in cream woven horsehair with brass trim; on pale beech turned and tapering legs with simulated ivory bands. The seat-rails retain their original cross-struts and old webbing. Circa 1810 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
