Description

An antique Waltham Bond Street pocket watch with history. The watch has a stem-winding movement, Bond Street grade, which is working nicely. The movement is fully signed and the serial number 18744979 dates it back to 1912. The movement is protected by an inner hinged cover upon which are scratched various names along with a few dates... (The top line is illegible) W R Goddard E Catherine Goddard Mavis Elsie Goddard 15/7/22 O J John Stuart Goddard 16/9/2? Mary Goddard 27/7/30 The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was originally 'guaranteed to wear 10 years'. The front of the case is in good condition while there are three little "dings" to the back and some rubbing around the edge, all commensurate with the age of the watch. The watch glass has some small marks but is very acceptable. The signed dial is in lovely condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box.
