Description

A sweet little early 19th century pearlware pottery mustard pot with mocha decoration in a geometric design in orange and sky blue. Simple strap handle with naïve trefoil terminals. It measures 7.3cm (2 7/8") high and 6.3cm (2 1/2") wide across the belly. Condition is very good with no damage or repair. The surface of the handle has some fine scratches and a tiny amount of discolouration and there is also a little discolouration inside the base. There is a short hairline running through the top of the rim about 1cm which looks like a firing line, and there appears a 1mm fleabite to the inside of the rim but it is under glaze.
