Description

Antique carved walnut card table full of character & in good original condition. At first glance, this card table looks like an original 1750's period item, but we think it dates from the 1890's period. Either way, it's a great looking piece of furniture. Please enlarge all the images to see the quality of carvings & the wonderful colour. The top edge is carved, as are the legs which sit on claw & ball feet. There is a concealed drawer right across the front & one of the back legs swings out to support the baize playing surface. I particularly like the candle stands and counter wells. The baize lining looks original & is still okay, but not perfect as you can see. If needed, it can be re-baized for about £100. Width – 36 inches, 92 cm Depth – 16 inches, 41 cm Height – 30 inches, 76 cm
