Date of manufacture: 1900

Dimensions

Height = 139 cm (54.7")

Width = 35 cm (13.8")

Depth = 31 cm (12.2")

Description

A late 19th century highly decorative large and fine quality carved pine study of a semi-nude mythical boy standing on a fluted pedestal. He is holding raised to eye level a large urn which bizarrely has a smiling face which he is in conversation with. This piece is not only decorative but also functional as the urn has a hollowed centre in which a silver-plated liner fits for displaying flowers. Circa 1900
