Description

A pair of Second Empire walnut side chairs in the Louis XVI style, the crested top rail with a gadroon en chapeau de gendarme with fluted side columns and carved feather finials, with padded back over a generous stuffover seat with shaped carved seatrail on tapering fluted supports. French circa 1870. Condition: Excellent, the chairs are of solid construction and robust, and are comfortable to sit on. The yellow damask style upholstery is clean and in very good condition.
