Description

This classical PAIR OF VICTORIAN PARIAN BUSTS, representing WAR & PEACE, date from circa 1860. Although unmarked some suggest they were made by Worcester. WAR has two serpents entwined on his head and PEACE has a laurel wreath on hers. The BUSTS are in overall good condition. At some time the serpents heads on WAR have been reglued. This is not easy to detect. PEACE has a couple of chips to two laurel leaves. They display beautifully and would enhance any room setting. Height: 10 inches (25.5 cm) Delivery within the UK is included. If you would like a quote for Overseas Shipping then just email.
